

Script: Rule #1 Practice

Teacher: Class!

Students: Yes!

Teacher: When I say, “Rule 1!”, you say, “Follow directions quickly!” and make the gesture. (Pause) Rule 1!

Students: Follow directions quickly! (Some students make gesture.)

Teacher: Good, but let’s try that again and be fast! Rule 1!

Students: (Making the gesture.) Follow directions quickly!

Teacher: (In a brisk voice, give Rule 1 commands.) Look up...look down...a little faster...raise one hand...put it down...raise both hands...faster...raise both hands...wiggle your fingers...etc.

- Praise individual students and groups for speed.
- Other suggestions...stand up, sit down, wave your hand, nod your head.
- Occasionally stop and say, “Rule 1!” Students repeat rule and gesture. Cycle back to actions.
