

Script: 10 Finger Woo

Teacher: Class!

Students: Yes!

Teacher: Whenever someone gives a right answer, or does something else worth a reward, we're going to give them a 10 Finger Woo! Watch, I'll demonstrate with Carlea. Carlea, you did a great job of helping your partner with her spelling. Give Carlea a 10 Finger Woo! (The teacher extends his/her arms, points 10 fingers at Carlea, wiggles fingers and says, with delight...) Woo! Go on, give Carlea a 10 Finger Woo!

Students: (Laughing and pointing wiggly fingers at Carlea.) Woo!
